workforce skills survey

Hi! We are students working on group project about workforce skills and the use of AI at work. We want to learn more about the skills that college staff already have and which skills they may want to improve. The survey should take about 4–5 minutes. Taking part is voluntary, and we will not ask for your name or email address. Your answers will only be used for our class project.

* Indicates required question

1. Do you agree to take part in this survey? *

   Mark only one oval.

   - ◯ yes
   - ◯ no
